Fine Art Conservation Laboratories (FACL, Inc.) is an important resource for you and your clients who live in areas of potential disasters or who have been involved in fires, floods, hurricanes, earthquakes... or have grandkids!

FACL is specialized and trained to assist you with:

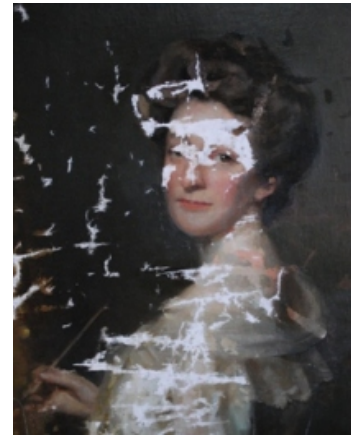

Smoke damage cleaning and repair

Mold infestations

Water damage

Shipping Damage

**We work with insurance companies
to resolve claims**

Left- Sculpture with ash and fire retardant –

Right- Stolen and rolled up -

all the paint popped off!
